

LINKTREE PLANS

Linktree is a service that allows users to place all of the information customers need to know in one link. It is especially useful on social media platforms, and is something that can help fuel growth for small business. Detailed below are the plans offered by Linktree.

NOTE: The blue texts at the bottom of the document contain hyperlinks to additional resources.

FREE

\$0 PER MONTH

This plan has basic features offered by Linktree, including unlimited access to links and a customizable Linktree. Recommended for individuals and small businesses.

1

STARTER

\$5 PER MONTH

Slightly more advanced than the free plan and offers additional features in customization and monetization. Recommended for small businesses.

2

PRO

\$9 PER MONTH

This plan is recommended by Linktree, and adds even more features such as extra analytical and marketing tech options. Recommended for small-medium businesses.

3

PREMIUM

\$24 PER MONTH

Linktree's most advanced plan, as users get all features by Linktree, including the ability to export data. Recommended for medium-large businesses.

4

Another useful resource to learn more about Linktree is provided in the link below. It contains a video that easily explains Linktree and additional links to more resources.
