

# POWER UP YOUR BUSINESS

OFFERED BY COMMUNITY  
COLLEGE OF PHILADELPHIA

1

## STORE OWNER SERIES

This 'Business 101' series provides startup and potential business owners with a place to begin. All workshops offered are free.

2

## PEER BASED LEARNING EXPERIENCE

This a more specific program designed to help businesses with at least 1 year of sales located within the City of Philadelphia. It offers financial and business coaching from professionals to help emerging businesses move to the next step in their growth and progression.

3

## POWER UP INDUSTRY BEST PRACTICES

This program has multiple sub-sections tailored to the specific needs, obstacles, and opportunities held within specific industries such as the food industry. This program is designed for medium to larger businesses.
